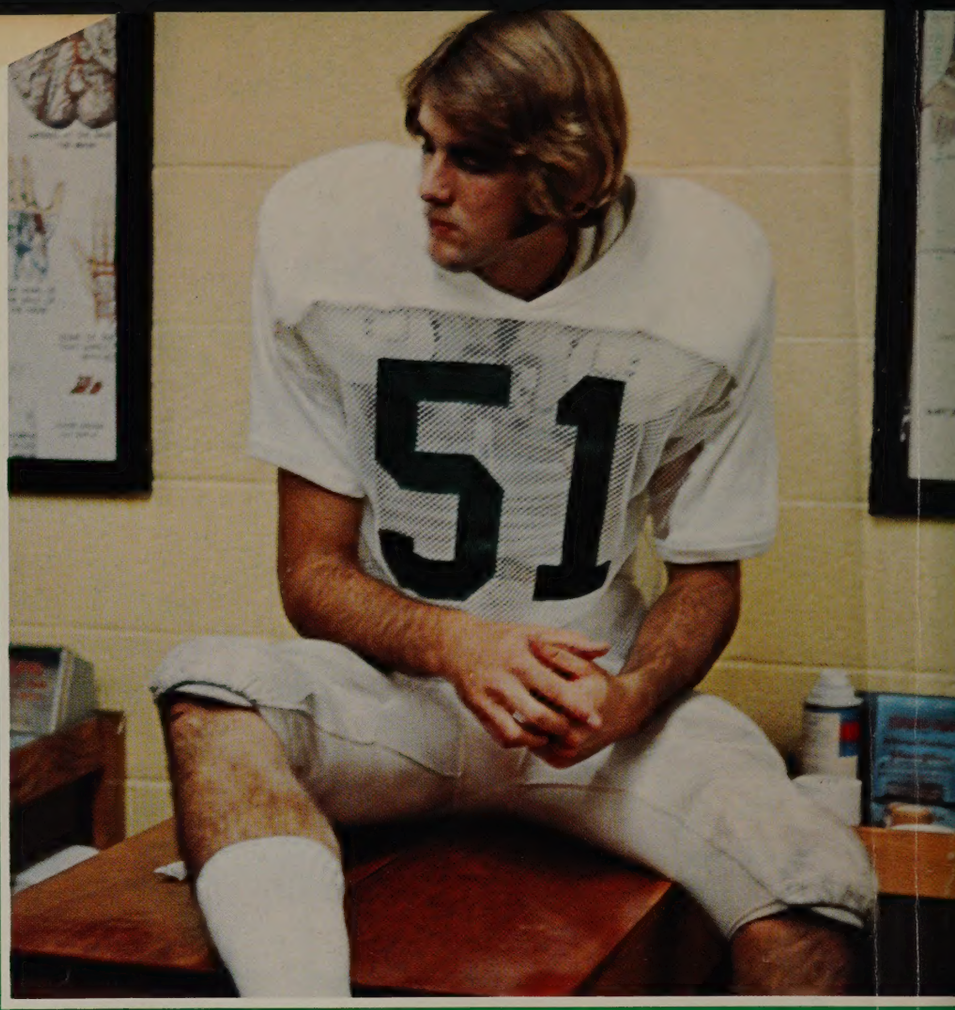
The halls of CHS contain all
Facets of humanity in a miniature
society,
Independence
Loneliness
Spirit
Sadness
Happiness
Unity
— "In Our Own World,"
For the students here at CHS the
world is full of challenges
and responsibilities.
They concern a multitude of
problems for achievement.
Realizing these responsibilities is
a giant step toward success.
"In Our Own World"
is portrayed throughout the
opening section and represented
by all the students of our school.



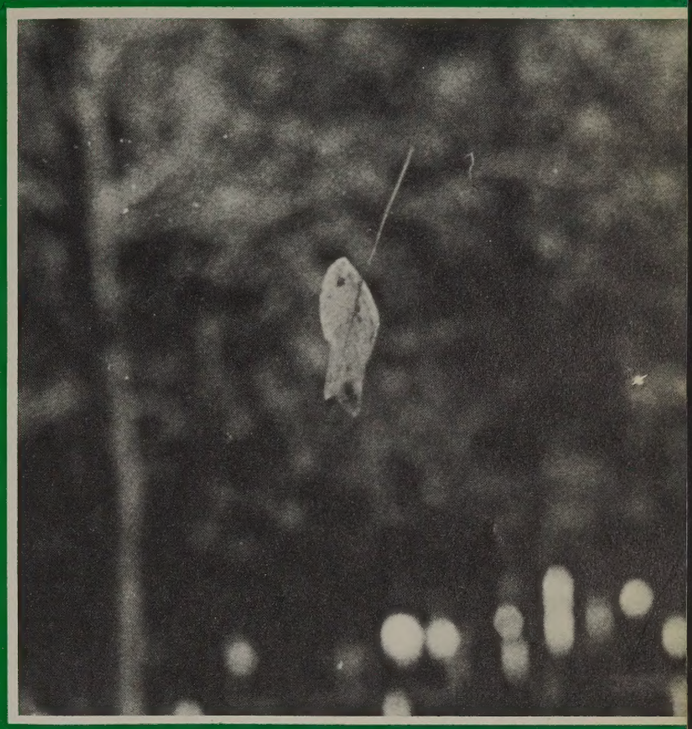
Independence — I Must Be Myself, Not A Carbon Copy

Lash out,
Strive for your dreams.
Stand up for your beliefs.
Permit no one untrue to touch
Your dreams.

Loneliness

I Find Myself Secluded in My Own World

Alone . . .
not loneliness
but just
alone.
This is a kind of
gracious sanctuary
that allows me,
a person,
to go and . . . think
or sing, or cry, or pray;
to let out all the pent-up
feelings and just
sit
and watch the shadows of my
mind drift . . . and blow
and be happy,
Because everything is nearer, it
makes more sense.
The wind,
the trees,
the grass,
all have their time . . .
and I have mine,
as I sit here
alone.

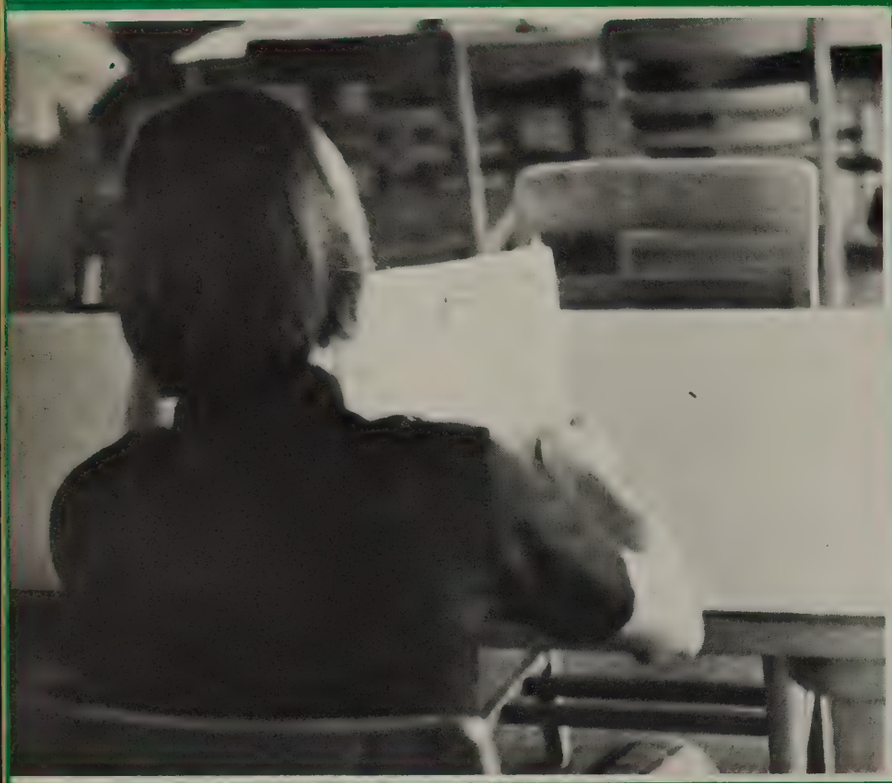


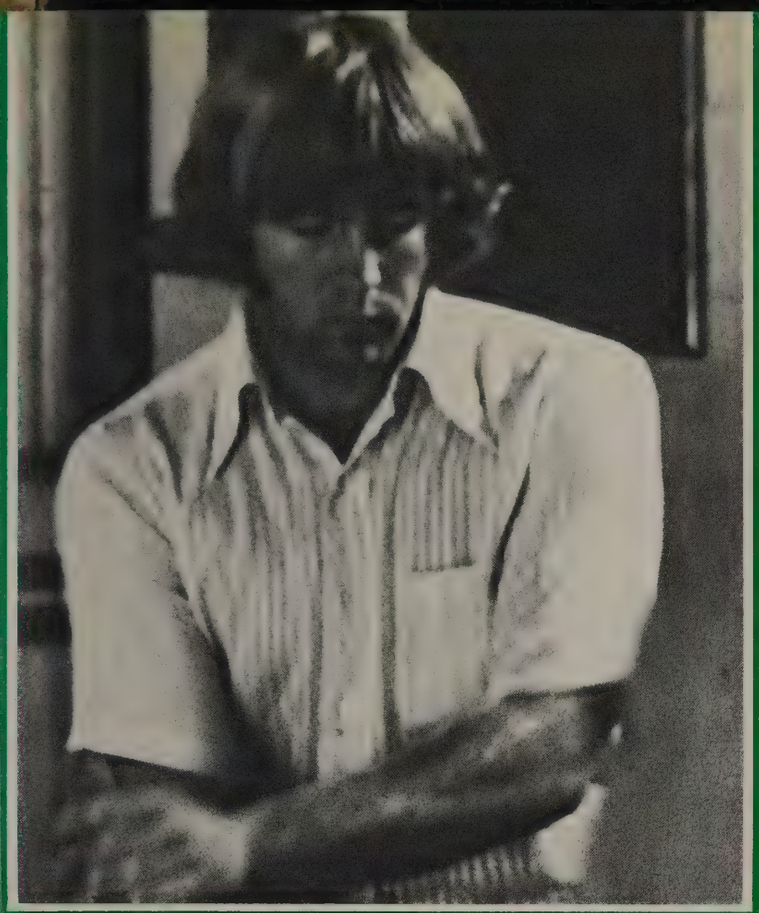
Students of CHS are an active and energetic group, taking part in activities which require hours of sweat and practice. Without Spirit in our world, victory is nearly impossible. We take pride in all our efforts, demanding excellence and accomplishment.
Our initiatives and desire will not permit us to settle for second best.
With enthusiasm, students search for knowledge and development of the mind, kindling the flame of Spirit.

Spirit — Tension Mounts With Victory In Sight

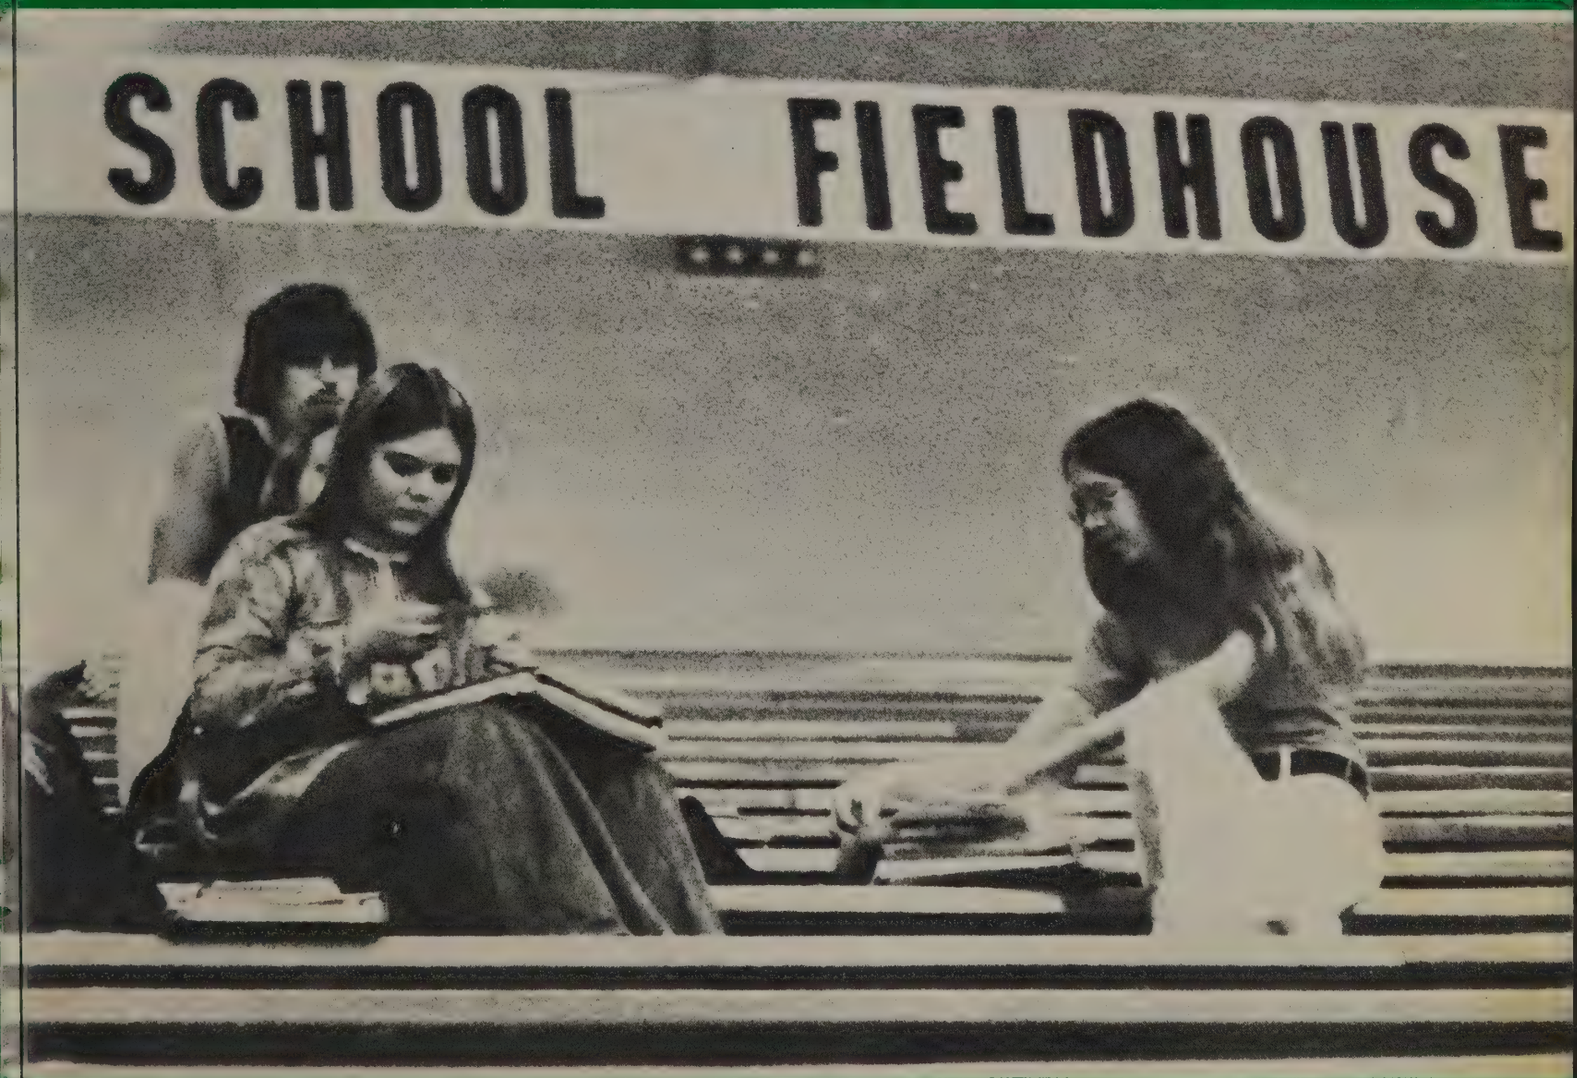
Sadness

Silently, I Face Misty Mornings, Gray Sunshine



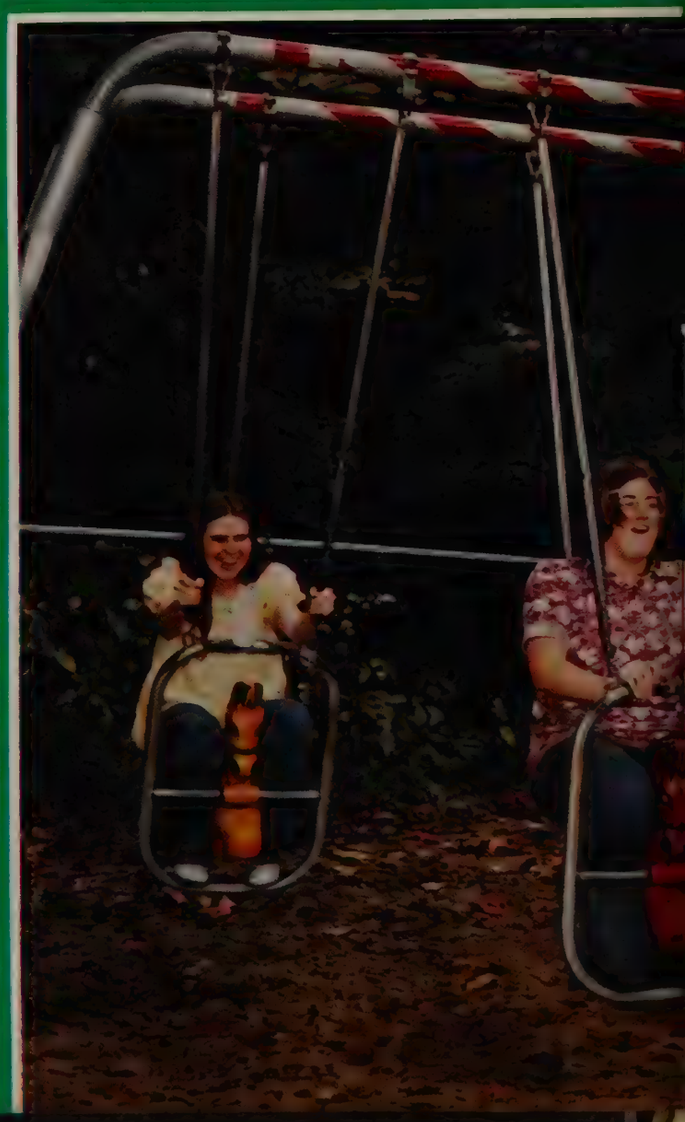


As I take time in my world to
really get in deep with myself,
I find a long, gray cloud
of sadness
coming my way.
My weary soul retreats
and welcomes the gloom
flowing over my world, molding
my life.
Here, in the silence I search
the depths of my soul
hoping to be comforted.
These moments alone with
my thoughts turn into memories,
as into everyone's world
sometimes comes sadness.



Happiness

Cotton Clouds, Placid Ponds, A Boat Ride



Right on. Super. Far out.
Heavy. Soul Baby. Out front.
Keep on truckin'. Rip off.
Make it. Out a' sight.
In our world, fun times, unique
times, achieve immortality.
They're ours to enjoy, to create,
to learn, each in our own way.
Haste, that notorious enemy
of memories,
turns awareness into
forgetfulness, and
momentous experiences are over,
Almost before they've begun.
Some say happiness can make
time stand still.
It can.

Unity — Together We Can Make It Happen

Together, with others, we can
make it happen.
We learn to relate one to one
one to two, and one to many,
and Unity begins to develop.
Through Unity our world accom-
plishes victory.
Likewise, we accept defeat
as one.
Together, we are challenged
to keep our world revolving.
We meet the challenge
through Unity.

Students Choose Courses In New English Program

English can be fun, CHS English teachers decided, and they determined to prove it by initiating a new phase elective program which offered students their choices of more than 50 classes. Although some other Indiana high schools have phase electives, CHS was the only school in the state this year with English classes on a six week basis.

The classes were designed in five levels of difficulty and covered writing, reading, speaking and responding. For the purpose of scheduling and grading, students were assigned to home base English groups briefly at the end of each grading period and then moved on to new classes with different teachers. For the first time, sophomores, juniors, and seniors met together. Of course, not everyone was able to get all their first choices but they found that all classes had new materials and were student oriented.

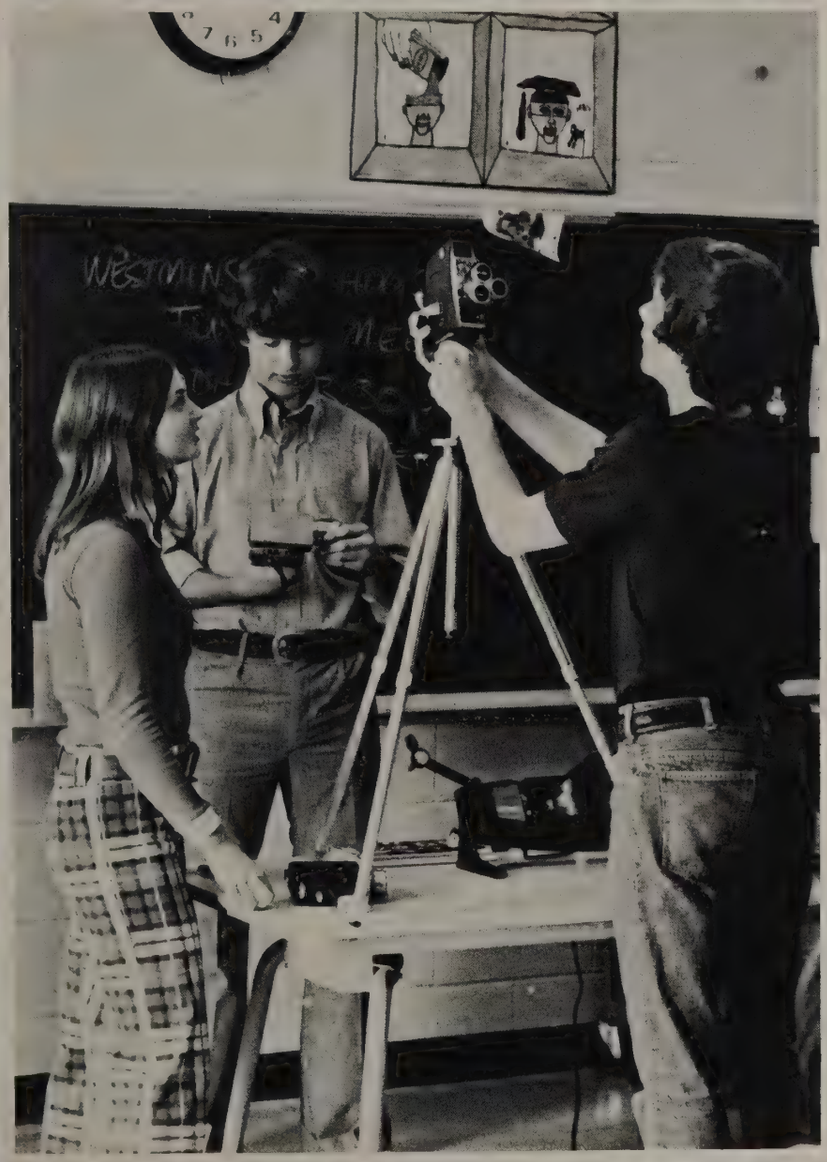
MISS JANE ADAMS: B.S., M.A., English, Junior Class Sponsor. **MR. STEVE DICKEN:** B.S., M.A., English, Senior Class Co-Sponsor. **MISS FRANCES HALBERSTADT:** A.B., M.A., English, Phoenix, Rosennial. **MR. RICHARD HOSTETLER:** B.S., M.A., Dept. Chr., English, Speech, N.F.L. Sponsor, Intramural Co-Sponsor. **MRS. CAROL LEWIS:** B.S., M.A., English, Pep Club, Sophomore Class, Girls' Softball. **MR. JOHN NEAD:** A.B., L.L.B., English. **MR. JAMES ROBBINS:** B.S., M.A., English, Debate. **MRS. KATHLEEN THOMPSON:** B.S., English, Speech. **MR. DICK WILLIS:** B.S., M.S., English, Drama, Thespian Sponsor, Musical Comedy.



ACROSS: Anita Armstrong, Mike Sutherland, and Tom Bland examine movie cameras used in Film Making. **TOP:** Students pick classes of their own choice from those offered in the new Phase Elective program. In this way, students can select classes of their interest and are more enthusiastic about them. This also works with teachers, by allowing them to teach in their interest areas.

Languages Prove to Be Fun

MR. DWIGHT FRAZE: B.A., Spanish, Athletic Trainer. **MRS. SHARON SIPE:** B.A., M.A., Latin, Junior Classical League Sponsor, FORSCO Sponsor. **MRS. AGNES TABARES:** B.A., B.S., M.A., Ph.D., Department Head, Spanish FORSCO Sponsor, Spanish Club Sponsor. **MRS. STEPHANIE VANDERLEEST:** B.A., M.A., French, FORSCO Sponsor.

Learning a foreign language sometimes seems impossible but students found that it could be fun as well as work this year.

Engaging in such activities as debates, skits, field trips, games, songs, dancing and parties took the dryness out of classes.

Teachers sought to motivate students and help them achieve a better comprehension in all three languages.

While French and Spanish students struggled towards fluency, Latin classes translated and discussed the works of Cicero and Sallust. Important also in Latin class were the drills in vocabulary, grammar, and English derivatives.

A new chance for students who hadn't taken Spanish in Junior High was the Spanish I course taught by Mr. Dwight Fraze. At all levels, the language lab was a helpful place for students when they wanted practice in comprehension and listening skills.

MISS RUTH E. ANDREWS: B.S., M.A., Social Studies Department Chairman Recognitions 1974 Program. **MR. WAYNE CURLEY:** B.S., Social Studies, Assistant Varsity Football Coach, 7th and 8th Grade Wrestling Coach. **MR. JERRY KOGER:** B.S., M.A., Social Studies, Student Morale-Convocations Chairman, Golf Coach. **MR. RANDALL LAWSON:** B.S., M.A., Social Studies, Student Elections Chairman. **MR. ROGER MILLER:** B.S., Social Studies, Athletic Equipment Manager. **MR. LANCE RHODES:** B.S., Social Studies, Varsity Wrestling Coach, Assistant Football Coach, Assistant Baseball Coach. **MRS. JUDITH SORRELL:** A.B., M.A., Social Studies, National Honor Society.

U.S. History, Government, Economics, and Sociology were the subjects studied by students in this year's Social Studies department. One of the aims of the history teachers was to help students solve problems by using facts. The Social Studies Resource Center, or the SRC, was helpful to students seeking material, as was the library. Simulations were used to give students a feeling of 'really being there.' A new teacher in Junior History this year was Mr. Wayne Curley.

Sociology students gained a better understanding of themselves and their classmates. Class activities included discussions, games, field trips, and projects that consisted of films about a problem. One example was a film done as a consensus of attitudes about New Castle.

Government and Economics classes fought wars and had trials in an effort to better understand the government and the nation's economy. Games such as Jeopardy and Monopoly added life to these classes. Students also were urged to take a more active part in the nation's affairs.

Co-Ed Activities Enliven Phys. Ed.

MRS. JANET MANNING: B.S., Physical Education, Reserve Cheerleader Sponsor, G.A.A., Girls' Tennis Coach. **MR. CECIL TAGUE:** B.S., M.A., Physical Education, Social Studies, Drivers' Education, Varsity Basketball Coach. **MR. WILBUR VEACH:** B.S., M.A., Physical Education, Business, Cross Country and Track Coach.

Team teaching was used in the physical education department this year as the girls' and boys' classes were combined to play team games and individual sports. Mrs. Janet Manning was the new girls' P.E. teacher and while the boys learned wrestling, the girls worked on gymnastics. The students seemed to enjoy the idea of the combined classes.

Dodgeball, volleyball, basketball, touch football, soccer, tennis, archery, and golf were all played with emphasis being placed on the lifetime sports such as tennis, golf, and archery. Physical fitness tests were taken in the fall and spring and these showed teachers how the students had improved. Classes didn't meet every day as in the past, due to an added year of P.E. in Junior High. Advanced programs were also something new and they were offered to interested juniors and seniors.

Art Students Explore And Learn Skills

Although students in this year's art classes had different purposes, the classes provided them with a chance to work toward individual goals. To some, art was a new experience to be explored through such activities as pottery, weaving, painting, and drawing.

To others, art was a class where ideas and feelings could be expressed or understanding could be developed. Whether students acquired skills for a leisure time activity or in preparation for a career, the projects and activities all centered around the student's particular needs and interests. Students also spent time working on things like silk-screening and India-ink printing. Students were often free to express and explore as they liked. This helped them to answer their own questions on art.

New Additions Aid Energetic Science Students

The Science department had a few new additions this year. The first was the new Chemistry instructor, Mr. C. L. Renner. Others included a new resource center, video tapes that helped prepare Integrated Science students for their labs and also a program which gave some Biology classes the choice of what they wanted to study and when they wanted to take a test. This year, more than ever before, the metric system was employed.

The Science courses offered at C.H.S. were vital to the future of many students in college. High school science presented a background which later could be used in such careers as medicine and other fields involving science.

To Vocational Students, Expansion Means Progress

The vocational school has expanded each year since it began in 1970. Most students enrolled were from New Castle, but other schools involved this year included Tri-High, Union, Hagerstown and Knightstown. The students in the vocational school usually were not college bound. The instructors in these classes made sure that students learned workable occupations which did not require further training. The students received two credits for each semester as long as both semesters were completed.

The courses offered in the Vocational School were Office Education, Vocational Distributive Education, Health Occupations, Home Economics Related Occupations and Trade and Industrial Training.

Vocational Arts Give Students Opportunities

Constructing a house is a complicated task, but the New Castle Area Vocational Building Trades students built one this year. The house is located on Luttrell Drive, a few blocks from the high school. The course was in its initial stages this year, therefore only New Castle boys were involved even though it was offered through the Area Vocational School.

The Home-Ec department acquired a tailoring shop on Race Street this year. The shop had been needed for many years to give the girls experience in alterations and other related tailoring.

Wide Variety Of Classes Offered In Industrial Ed.

A broad variety of Industrial Education classes gave students this year a chance to explore and then decide what areas best suited them. Possibly students could then consider vocational classes if they wished to expand their knowledge and skill. The areas taught in Industrial Education were Building Trades, Woods, Drafting, Electricity, General Metals, Machine Shop, Graphic Arts, and Power and Transportation. Most of these gave students first-hand knowledge as well as practice.

MR. DONALD GILES: B.S., M.A., Power and Transportation. **MR. TIM JACKSON:** B.S., M.S., Drafting. **MR. ROBERT JOHNSON:** B.S., M.A., Electronics, Auditorium, Electronics Club.

Electronic Music Lab Is Big Deal To Proud Musicians

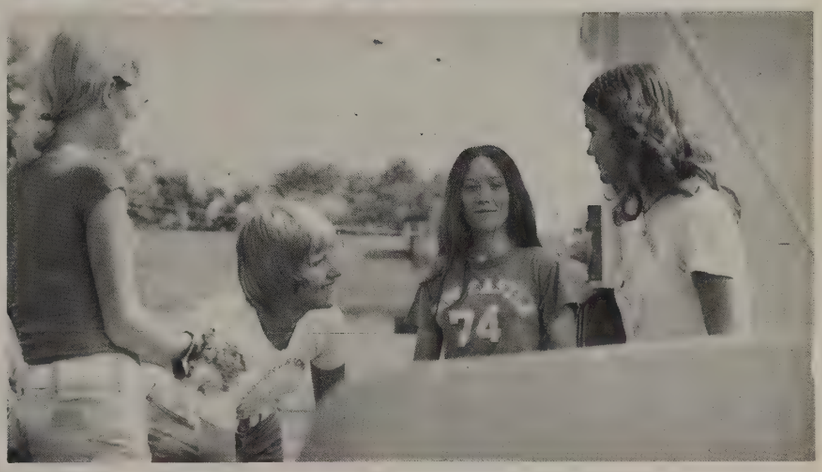
MR. CHARLES CRAIG: B.S., M.M., Music Theory, Chorale, Music Men, Bell Choir, Junior High Concert Choir, Junior High Girls' Choir and Girls' Glee Club. Swing Choir, Madrigals. **MR. ROBERT SHAUVER:** B.S., M.A., Band, Dance Band.

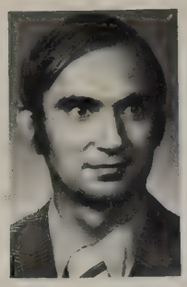


TOP LEFT: Dan Hughel sight reads music in band. **ABOVE:** Pom Poms raise money washing cars for uniforms. **LEFT:** Talented Jana Stump plays her cello in Orchestra.

The instructors in the C.H.S. music department worked to give the students the best music experience possible. The main objective was to improve the students' abilities in tone production, technique and interpretation. Throughout the school year, the students were involved in concerts, contests and other performances. The high school band provided pre-game and half-time performances for sports events, as the choir and orchestra performed in convocations, school musicals and for local organizations.

This year, the music department formed an electronic music lab. This lab included two synthesizers, several tape recorders and power supplies. Besides the music classes, other groups that benefited from this lab were science, art and elementary students that were introduced to what must be considered the new sound of the twentieth century. The creativity that was found in electronic music can be correlated with all people interested in new concepts of creativity.

Math Dept. Tries Change For All Types Of Needs



MR. WAYNE AKEY: B.S., M.S., Dept. Chr., Geometry, Mechanical Drawing Math, Chess Club. **MR. HORACE COOK:** B.S., M.A., Math, Assistant Athletic Director, Ticket Manager. **MR. RONALD C. GRIMES:** B.A., M.A., Algebra, Analysis, Machine Shop Math, Chess Club. **MR. L. B. LANGFORD:** B.S., M.A., Analysis, Geometry, Technical Math, Chess Club.

The Math Department had two new courses this year. One course included only the math needed for Machine Shop while the other course taught only the math needed for Mechanical Drawing. This enabled the full time alloted in Machine Shop and Mechanical Drawing to be used working in the Shop.

Geometry students used geometric designs to decorate a Christmas tree for a major project. By employing Christmas to attract their interest, students learned uses for the designs and how to make these objects. The other math classes and advanced math classes were taught by more than one teacher to provide more individual help for students who desired it.

Home Ec Tailors Classes For Needs of Students

MISS C. FRANCES EILAR: B.S., M.S., Clothing and Housing, F.H.A. **MRS. MILDRED T. GARNER:** B.S., M.A., Home Economics, Senior Class Co-Sponsor. **MRS. DOROTHY GOLLIHER:** M.A., Business Education, Home Economics. **MISS MUZETTA GUYMON:** B.S., M.S., Home Economics, H.E.R.O. Coordinator, H.E.R.O.

The central focus of home economics at Chrysler High continued to be education for the well-being of individuals and families. Its major purpose was preparation for homemaking, with emphasis upon consumer education. Home Economics education laid the foundation for vocational pursuits.

The Home Economics Department used a tailoring shop for the first time this year. The shop, located at 1411 Race Street, enabled girls who qualified to work at a real competitive business for profit. These girls gained actual work experience and enjoyed the year's success by having a great demand for their work from the public.

Foods also was vocationalized by setting up a snack stand to sell food and drinks to the shop classes on break. These girls obtained actual experience in selling their goods and managing the store. The regular classes in foods, clothing, home nursing, child development, consumer education, and family living helped to prepare students for entering the home economics related occupations.

Library Shifts Ways of Study

Microfiche, a different form of miniaturized research material, enabled students to find newspaper articles quickly. A wide variety of reference materials, print and microfilm, assisted students to develop a multi-media approach to learning.

More seats were available for serious study this year as the librarians tried to make the library more of a research center and less of a study area.

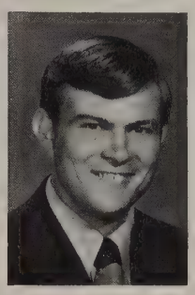
Business Dept. Changes, Adjusts Around Students



Business Management and Rapid Writing were on the list of new classes this year for the Business Education Department. Business Management was offered to students interested in obtaining a career in business. This course dealt with the various types of business ownership. Business Management stressed that good management is a key to successful business enterprise. Rapid Writing was offered to any student interested in improving his note taking skills. It consisted mainly of abbreviated long hand and should be helpful to students in their high school classes as well as for later use in college.

Some electric typewriters were installed in C-129 for Beginning Typing classes because the Business Department thought students could improve at a faster pace. The Business Department believes this has proven to be very successful.

This year the counselors helped students with schedules, grades and college or technical school information. Joining the counseling staff for the first time was Mrs. Shirley Smalley.

Other staffs also helped the students of C.H.S. The secretaries handled the phone calls and paper work as the teacher aids assisted in library and resource areas. The cafeteria staff had the monumental task of feeding the student body. Also working efficiently was the custodial staff as they kept the school spotlessly clean.

Richard "Dick" Hedrick, the custodian in charge of the Fieldhouse, died suddenly on January 17 at the age of 55. A retired fireman, he had been employed here at CHS since September, 1969. He and his wife had chaperoned fan buses to many out-of-town athletic events, and he was known and liked by hundreds of students.

He worked at all athletic events; rolled, dragged, and lined the baseball diamonds, tracks and football field; supervised the clean-up crews after each activity in the Fieldhouse; and devoted much of its own time making sure that the Fieldhouse and athletic field were in the best of condition.

Mr. Hedrick is survived by his wife Waunita and his daughter Meleah, a CHS senior.

Board, Administration Work Together For Excellence

The School Board members visited secondary schools this year and discussed what could be done to keep the buildings in the best possible condition. They also were concerned about improving educational techniques at the secondary level.

A team from Ball State University conducted a survey in New Castle to learn where the children yet to be born might be located in order to determine the location for future elementary schools. The Board also had the task of updating the policy manual.

As for the administration, they did all that they could to assist school principals and classroom teachers, making sure the most modern equipment was supplied to the various schools to insure the best possible educational program available.

HAPPENINGS

Bowling, Cruising, Snowball fights, Spookin', Parties, Playing ball, Ice skating, Movies, Ping-pong, Bicycling. In a world of our own, we found recreation and relaxation in many ways. Many individuals gathered together to enjoy themselves and get to know others, while some got away from it all by themselves.

Intramural Play Fosters Skill, Sportsmanship

Nearly 100 boys, divided into eight teams, participated in Intramural Basketball this winter. The boys played each Wednesday evening in the Fieldhouse from December 5 through January 30. The boys went into tourney action February 5 and 6, and the climax of the season was the championship game, on February 13.

Turner's team emerged winner, with Alspaugh's squad as runner-up. The program was co-sponsored by Mr. Roscoe Rogers and Mr. Richard Hostetler. Team captains were Dave Turner, Jim Crim, Jeff Dickerson, Greg Rose, Jeff Painter, Ricky Alspaugh, Larry Sells, and Dave Macer.

Twilight Atmosphere Sets Mood For Winter Dance

The song title, "We May Never Pass This Way Again" was chosen the theme of the annual winter dance, sponsored by the newly organized Student Union. The Girls' Gym was decorated simply but very appropriately. An illusion of twinkling stars on the floor and walls of the gym was given by a large mirrored ball suspended from the center of the ceiling. The twilight atmosphere created in the gym was carried out in the cafeteria as well. The serving table and dining tables were covered with blue cloths, accented with candles.

Couples danced to the music of "Bully", a rock group from Anderson. Concluding the highlights of the evening, Jeff Wadman, emcee, announced the Dance Queen, Lindy Teel, who was then crowned by her escort; Dan Van Dam. The queen and her court then led the first dance.

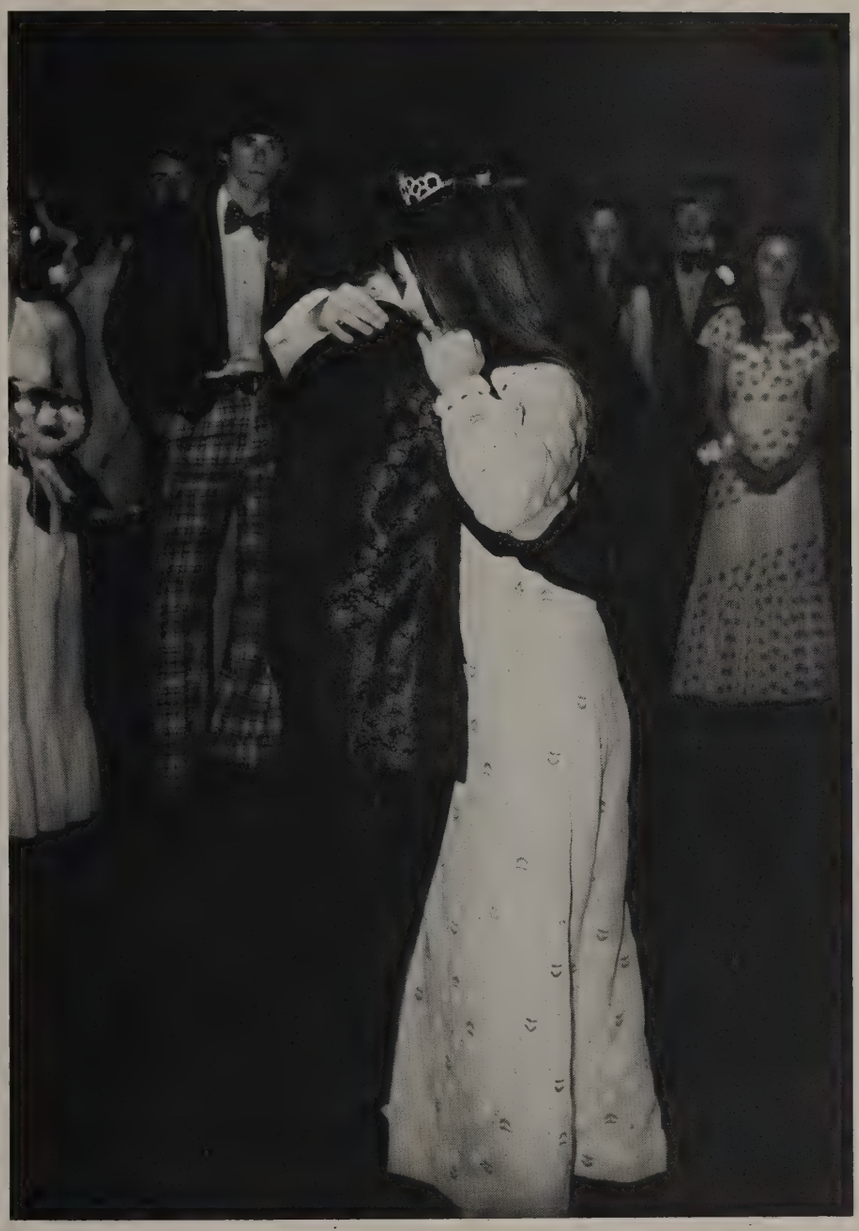
Juniors Select 'Pieces of April' As Prom Theme



After many hours of deliberation, the junior class chose the song title "Pieces of April" as theme for the 1973 Prom and May 19 as the date. Interested juniors were assigned to committees for preparation, which began in April. As the chosen date grew closer, Mandrake, a soft rock group was selected, and the decorating committee began making appropriate decorations. The eve of Prom, excited juniors congregated in the the girls' gym and began to slowly construct the colorful spring atmosphere.

Decorations included bright multicolored paper flowers, a wishing well, and giant polka-dotted mushrooms. Parachutes attached to the ceiling created a cloud-like effect to which opened umbrellas, flowers and smiling suns were suspended. At 11:00, surprised and smiling Cindy Caffoe was crowned Prom Queen 1973 by her escort, Jay Heck.

CHS Cooperates To Save Energy During Crisis

The winter of 1973 proved that there was indeed a world-wide shortage of energy. Predictions of a long and cold winter were made in the autumn of '73 and many scoffed; now they too are feeling the pinch.

CHS helped to conserve energy by complying with President Nixon's suggestions of lowering all thermostats to 68 degrees. Students then realized that this was the proper time for wool sweaters and long underwear. Students were urged to form car pools whenever possible, and to use gasoline sparingly. Heated discussions were held in consideration of prohibiting those under 18 from driving and purchasing gasoline. Despite the long and cold winter with more snow and ice than usual, CHS survived although some were a little cold, and still others a little bit colder.

ABOVE RIGHT: The gas shortage made it necessary for students to make use of self-powered transportation. **CENTER RIGHT:** Closing on Sunday put a cramp on gas station operators and those wanting gas. **LOWER RIGHT:** Though not every station closed on Sunday this was a familiar sight at most stations. **ABOVE:** An unusually large amount of snow this year made the energy crisis even more difficult.

Fun And Work Combine During Independent Study

One of the issues around Chrysler High was independent study time. Some spoke out against it and said that students needed to be in a supervised class all day. Then again, the majority favored the independent system. The students were given a responsibility that they were expected to handle wisely. There were those, like in anything else, that abused the privilege but, in the outcome, cheated only themselves.

Being able to use free time as they liked, students found that they could work better and get things accomplished at school that they never were able to do before. When students felt they had done what needed doing, they had places to go to meet with friends. Senior Commons seemed to be busy with many upperclassmen, while other places such as the cafeteria were popular with juniors and sophomores. This year an experiment was tried by opening up the fieldhouse to the students during lunch modules. This was great because the students could get into some activity playing ping pong, basketball, and volleyball. To make things livelier, a jukebox was installed so that those who wished could rock and roll awhile before going back to the daily routine.

Independent time was something that each student experienced. The majority found it to be a great comfort to know that sometime during the day, they could study, converse with friends, or just sit and collect their thoughts and feelings.

Concerned Students Devote Time To Helping Others

It takes a little something extra to donate one's time and service to help someone. Throughout the community, CHS was well-known for the generosity displayed by its students. At care centers and hospitals, visits from students were frequent and welcomed. However, some students went further by working under supervision without receiving wages.

Again this year Sociology students with the direction of Mr. Jerry Koger, Sociology teacher, held a party at the State Hospital for its patients. The Administration at the hospital reported that this annual party is the biggest event held for patients anywhere in the midwest.

Students Accept Responsibility With Part-Time Jobs

As students grew older, they found that they had to learn responsibility because soon it would be time to leave Chrysler High School and go out on their own. To get ready for those days to come after graduation, many students acquired jobs of various kinds. Some worked to save for further education, while others were preparing to accept life on their own.

To prepare themselves for what was to come, many obtained jobs that would help them to learn, such as the vocational students who were helped by the school to find work that satisfied their interests. Maturing with new ideas, students found that they worked for experience so that they might expand their own ideas to improve on things in the future of their lives.

It will not be long before the students of Chrysler High will be making the decisions. They must try now to find out which way they prefer their lives to go, whether it is making a career for themselves or continuing their education. Working and experiencing new things daily help them to decide.

Busy Students Find Activity In And Out Of School

This school year has brought many happy times as well as bad ones. The students were confronted with problems that they had to solve one way or the other.

Many of them found enjoyment in attending sports activities and pep sessions. The gang could get together and raise the roof with some enthusiastic yelling to cheer the teams on to victory. Then there were those nights that some spent at school to work on a play, decorated for a special occasion, painted signs or slaved to meet a deadline.

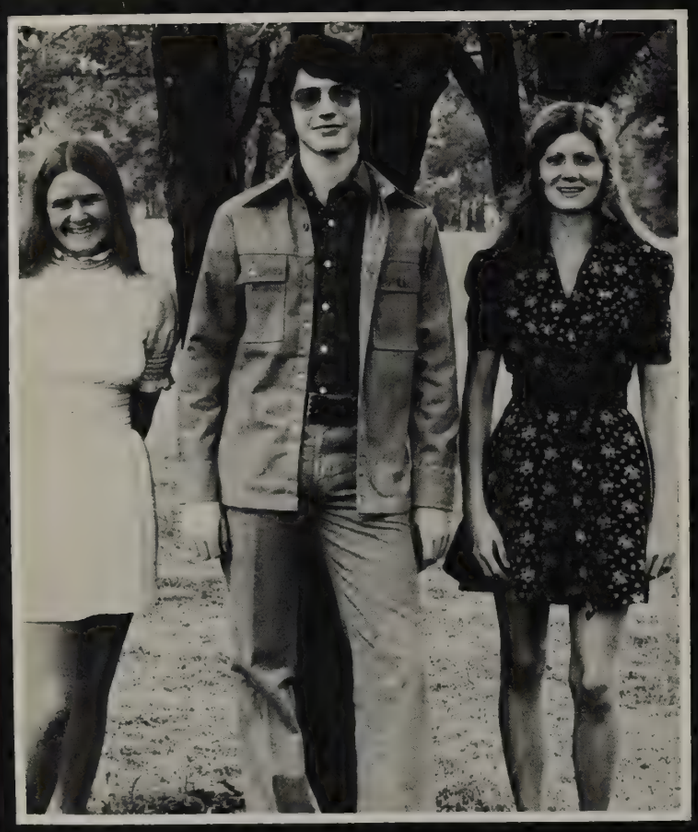
There were many things that went on outside of school that kept students busy too. One of the most popular, even with the gas shortage, was to cruise Broad Street. After rounding up friends, everyone would meet at someone's house and sit around sharing with each other new and old thoughts. Instead of talking, sometimes the stereo was turned on and everyone sang or just listened to some good music. Some found themselves just getting out, walking and taking in what nature had put forth.

Each student left this year with many memories, but some things probably will stick with them longer than others, like the time they were caught leaving school and were put on D.S. for three weeks. Then there was the time that a friend's parents left for the week-end and it took nearly three days to recover from the party. There is no doubt that the school year of 1973-74 will not be forgotten.

PEOPLE

Vespers. Convos. Pep sessions. Pep club. Painting posters. Intramurals. Honor jackets. Optimist honorees. Musicals. In our world of activities students used school to attain achievement, recognition, and enjoyment. Although these activities took up much free time, many students used them to find themselves while having a good time.

1974 Seniors — 'They Truly Save The Best For Last'



TOP: Senior Class Officers are Jay Heck, Treas.; Patti Jennings, Sec.; Jeff Wadman, Pres.; Jeff Walcott, Vice Pres. **TOP LEFT:** National Merit Scholarship Award winners are Helen Steussy, Jeff Perdew, and Lisa Meek. **TOP RIGHT:** DAR Good Citizen, Mary Dicken.

In the senior class of 1974 accomplishments were many. Early in September the student body honored 56 seniors for scholastic achievement. Out of a total of 376 seniors, 37 received crests and 19 received both crests and jackets.

In late October the seniors had their first class meeting. Graduation became closer as the seniors ordered caps, gowns, and graduation announcements. To represent the class of 1974 they chose as their colors burgundy and ivory, their flower the lily and their motto, "We look at the past with a smile and into the future with hope."

Outstanding among the honorees were Helen Steussy, Jeff Perdew, and Lisa Meek. They were recipients of the National Merit Scholarship Award, which places them in the top two percent of the nation's seniors.

TOP LEFT: Busy at work in the Art department is Terry Ross. He is only one of several that have won art awards while in high school.

Honor Jacket Winners are: **FRONT ROW:** Tom Creech, Ed Karp, Phil Byers, David Bow, Jeff Perdew, Bob Rhoades, Jeff McGee, Jay Heck. **BACK ROW:** Lisa Cassidy, Rhonda Massengale, Becky Koons, Rhonda Vincent, Marla Wallace, Janice Walker, Cindy Hawkins, Carol Dickey, Kibby Calhoun, Lisa Meek.

The Optimists honored thirteen seniors for their outstanding leadership and academic ability. One student was chosen from each of the thirteen departments, and they were guests at a dinner in their honor. Academic honors were not the only recognized achievements as there were students who excelled in many departments such as Home Economics, Art, Industrial Education and Music.

The senior class officers were chosen in late September. They were Jeff Wadman, president, Jeff Walcott, vice-president, Patti Jennings, secretary, and Jay Heck, treasurer. The officers were kept busy throughout the year with rewriting the constitution, organizing Senior Commons, and maintaining overall school spirit.

Optimist Honorees are **FRONT:** Jenita Booher, Lisa Snell, Glenna Roach, Rhonda Vincent, Lisa Meek. **BACK:** Ed Karp, Jess Adams, Bob Rhoades. Not Pictured are Mark Campbell, Roger Marcum, Mike Schofield, Larry Sexton, Dennis Upchurch.

Juniors came back to C.H.S. fired up and ready to begin the new school year after gaining experience in their sophomore year. The members of the class of '75 quickly became involved in the up-coming activities of the 73-74 year. Many became active participants in speech, stage, pom-pons, sports, pep club, and other clubs.

The class elected officers in October with Gary Wadman re-elected president; Jim Langdon, vice-president; Dana Roach, secretary; and Katie Webb, treasurer. These officers, along with their committees, were responsible for a successful Prom.

It was not a surprise to see juniors making decisions about their future plans. State scholarship applications were sent in the spring and juniors also found themselves taking the annual SAT tests in order to be evaluated for the college of their choice.

In Memory Of Jill Dickerson Dec. 1956 — Sept. 1973

In one sense there is no end to life. The life of a soul on earth lives on after its departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things she touched, worked with and loved as familiar friends. She lives on in your life and lives of all others who knew her.

A Different School Changes Interests Of Sophomores

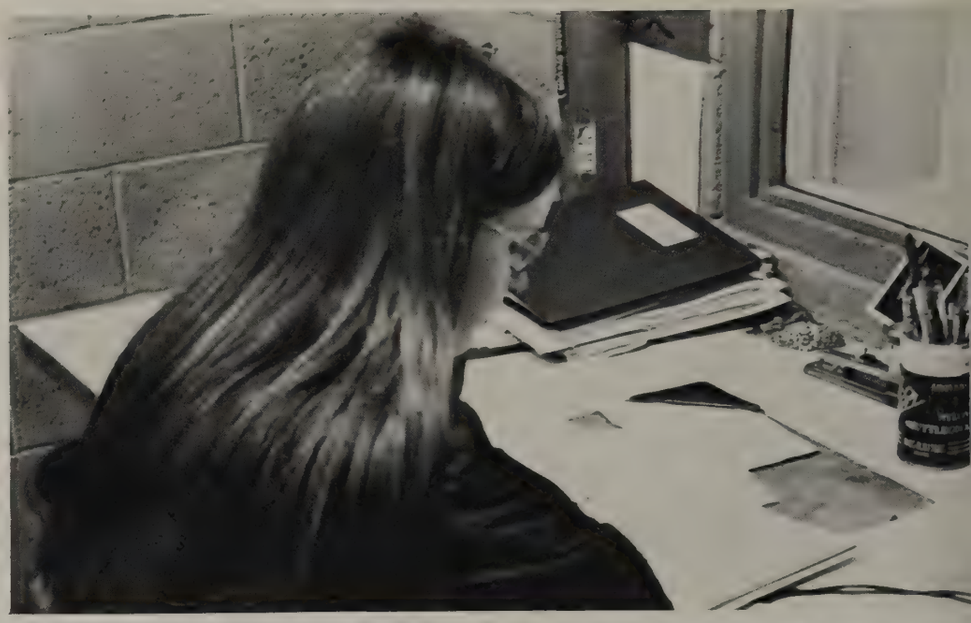
Learning To Adjust Keeps Sophomores Active



The spirited class of '76 began the year at CHS with exciting and original ideas and a willingness to be a part of the large student body. With thoughts of junior high in the past, the sophomores made their first decision as they chose Mark Hastings as president. Other officers elected were Phil Logston, vice-president; Michelle Smith, secretary; and Debbie Crisp, treasurer. These officers helped organize the new Student Union and write its constitution.

As the year progressed, the sophomores found themselves involved in many clubs and school activities. They made their spirit known with banners in the hall which boasted "The Class of '76 is the only one which paints signs." Assuming more responsibility as the year moved along, the sophomores anticipated two more years at CHS and began to plan for their role as school leaders.

Gridders Finish Building Season 2-8; Defeat Kokomo

The Trojan football team finished the season on a high note as they defeated the Kokomo Kats in the rain for their second victory of the season. Earlier in the year, the gridders defeated the Rushville Lions. For seniors Rocky Alspaugh, Jeff Cummings, Dan Ferguson, Chuck Griffin, Mike Guffey, Jeff Morgan, Jeff McGee, Rex Peckinpaugh, Mark Petty, Sam Polson, Dale Ponsler, Steve Thornhill, and David Turner it was their last game in a Trojan jersey.

Defensive back, Rocky Alspaugh was the only member on the All-Conference team. During the season Rocky and Rex Peckinpaugh were named co-captains. At the fall banquet, awards were presented to Tim Reagan for his defensive play; Jeff Morgan, who demonstrated the best attitude; and Dan Ferguson named lineman of the year.

Junior Varsity Gridders End Season 2-6

This year's Junior Varsity football team, composed of 22 sophomores and 2 juniors, was inexperienced but gained knowledge every game. Their work finally paid off in their fourth encounter against Muncie South. The Colts also defeated Rushville in the last game of the season.

Promising players were Tim Miller, Brad Knotts, Scott Rains, Dan Coleman, John Wittler, David Luellen, Luiz Lopez, Chuck Sumpter, Tracy Lavarnway, and Jeff Lawson.

Trojan Thinlies Finish Second in Sectional

Coach Wilbur Veach and his veteran cross country team finished their season with the outstanding record of 11-4. Senior Mark Neal led the team by taking first in every dual meet. Senior Terry Bowers and Freshman Craig McGrew added to the team's strength, placing in the top ten of almost every meet. Neal and Bowers led the team to a runner-up position in the sectional, gaining a first and second respectively. The Trojan harriers went on to rank fourteenth in the Richmond Regional.

At the fall sports banquet, Coach Veach expressed his regret at losing his two top men this year. He stated that Bowers' and Neal's spirit, courage and devotion inspired their teammates to give one hundred percent throughout the season.

Netmen Compile Best Record, 10-2

The Trojan netman finished the season with a record of ten wins against two defeats. This team record is the best in the history of the school. Many outstanding teams were defeated by the Trojan netmen. Anderson, Marion, and Madison Heights fell to the talented Trojans.

As a team, the Trojans finished third in the strong North Central Conference just behind Richmond and Lafayette. The netmen then placed a solid fifth in the tough Richmond sectional.

Leading the team were seniors Jay Heck, Tim Davis, Greg Reece, and Mark Campbell; juniors David McCaslin and Stu Garvin; and sophomore Greg Rose. Jay Heck was the only team member named to the conference team. Greg Rose and Jay tied for best records on the team. Each had a record of 9-3.

Seasoned Trojans Finish Extremely Tough Schedule, 14-9

The Trojans finished their year with a respectable 14 wins and 9 losses. During the entire season the Trojans played against ranked teams in the state. They trounced thirteenth ranked Logansport and bounced by tenth ranked Lafayette. The highlight of the season was the narrow loss to the number one ranked Anderson Indians by three points.

The sectional turned out to be a disappointment for the Troymen. They advanced to the sectional finals by beating Tri High and Shenandoah, but Eastern Hancock defeated the Trojans in the title game. The Royals were helped out by 31 fouls and 21 Trojan errors. For seniors Terry Bowers, Dennis Kinser, Terry Ross, and Dan Tower it was their last game in a Trojan uniform. Their leadership will be missed next season.

Junior Tom Fike led the team in free throw shooting percentage with .765, but Mike Haynes was hot on his heels at .760. Terry Ross headed the team in points with 423, rebounds 332, plus points with 763, and field goal percentage with .573. Dennis Kinser had 84 recoveries and 154 assists to head the team.

Although the season seemed to be a total loss after the sectional loss, there was much hope for future seasons. Underclassmen Bob Ballard, Rondal Bertram, Mike Haynes, Tom Fike, Bobby Boyd, Tim Reagan, Terry Craig, and Dan Buchanon will be the nucleus around which Coach Tague will build next year's team.

Colts Display Great Enthusiasm In Rewarding Season

Victory was the usual thing for the Colts as they posted fourteen victories against six defeats. Coach Larry Meyer was pleased with the constant improvement of the team. The Colts lost only one game after the Christmas holidays. They finished in second, next to Anderson, in their Holiday Tourney. They beat Muncie Central, 38-18, before losing to Anderson, 43-33.

This year's team consisted of two juniors and thirteen sophomores. Juniors Rondal Bertram and Kim Benson saw only limited action on the junior varsity last year, therefore, the Colts were somewhat inexperienced. As the year progressed, they gained poise and confidence to finish the season with fourteen wins.

Leading the team in points was John Wittler, rebounds Kim Benson, assists and recoveries Rondal Bertram, and total plus points John Wittler.

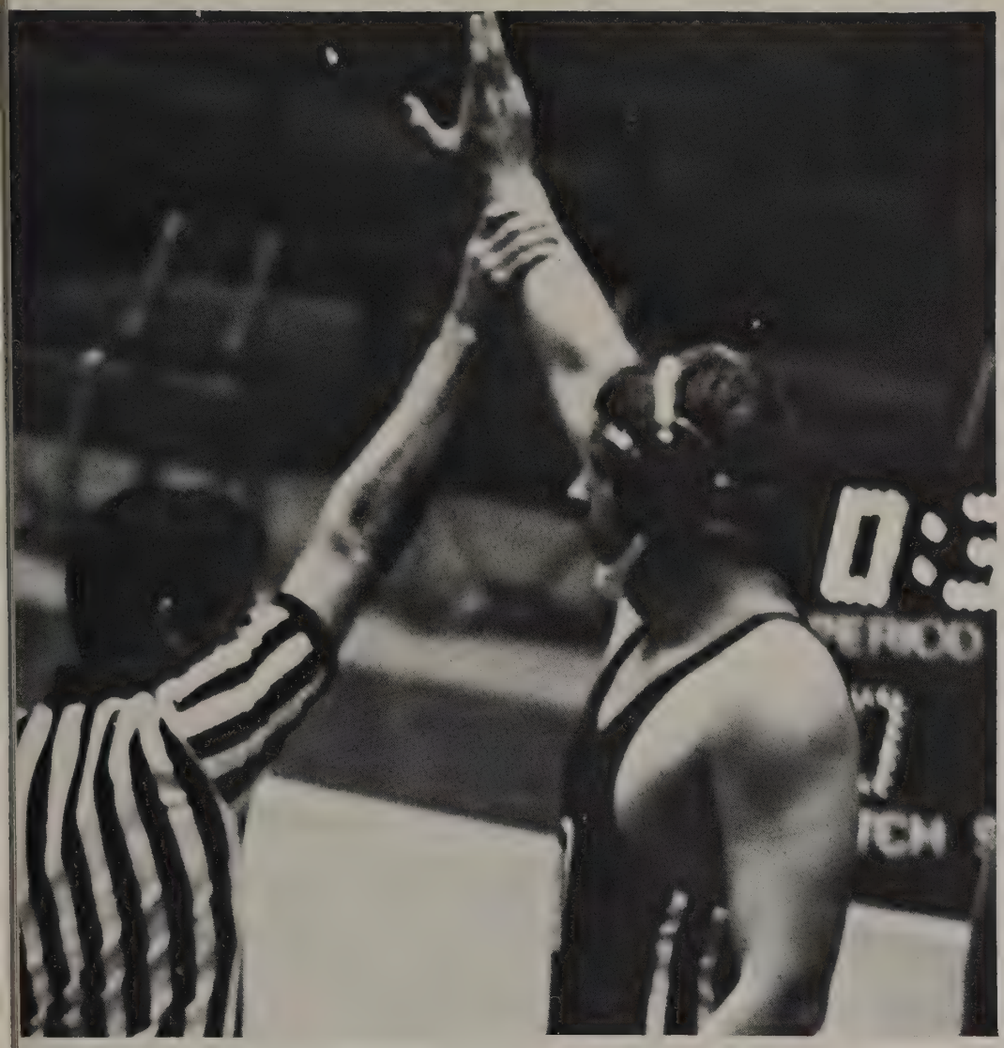
Much Improved Wrestlers Finish Winning Campaign



Coach Lance Rhodes led the grapplers to a victorious season for the first time in seven years. They out wrestled Greenfield, Brookville, Anderson, Connersville, Knightstown and Hagerstown to finish with a record of seven wins and five losses. They also competed in the Columbus Invitational where Rex Peckinpaugh took first place in the heavyweight division. At the conference meet in Logansport, Peckinpaugh and Mike Raines worked their way to win the gold medals for their weight classes. At the sectional, held at the New Castle Fieldhouse, five men made it to the finals and advanced to the Regionals. Peckinpaugh, Raines, and Jim Barr won individual titles with Mike Goodpaster and Bruce Schnexnayder earning runner-up positions. The next week at the Regionals, Peckinpaugh and Raines wrestled well and both received second place honors.

Although Coach Rhodes felt he was losing his best wrestler in Rex with a 24-3 record, he only lost two seniors, and next year's team should be more experienced and hopefully even better than the great team of this year.

Trojan Thinlies Capture Sectional for First Time

New Castle thinlies had a perfect season of 4-0 in the dual meets and finished first in three of the six multi-team meets. This outstanding record led Coach Wilbur Veach to receive a plaque from the Breakfast Optimist Club for the team's achievements in the track meets.

During the season, three new records were set in discus, 100 yard dash, and in the two mile. A new event in high school competition was the discus, and Chris Barr set the record of 146 feet, 3 inches in this event. Bobby Boyd broke the record in the 100 yard dash of 10.0 seconds. Mark Neal now holds the two mile mile record in a time of 9 minutes 45.6 seconds.

For the first time in the history of the school, the Trojan thinlies won their own sectional by defeating a strong Richmond team. New Castle finished first in the Noblesville Invitational, first in the New Castle Invitational, second in the Marion 3-way, seventh in the Carmel Invitational, and seventh in the North Central Conference.

Trojan Batsmen Defeat Lafayette, Win Fourteen

Trojan batsmen finished the spring season with a fine record of 14-8. During the season, the Trojans defeated Lafayette by the score of 1-0. The Broncos went on to win the state high school baseball tournament.

Leading the team were All Conference players Dave Griffin and Steve Lee. Griffin led the team in runs knocked in and home runs, while Lee helped the team with his leadership.

Seniors starting for the Trojans out on the field were pitcher Mike McWhorter, Dave Griffin who played outfielder and relief pitcher, and utility man John Hayes.

Juniors on the squad were first baseman Steve Tucker; shortstop Jay Heck; third baseman Greg Snell; used as left fielder, pitcher, and catcher, Mike Matthews; right fielder Jim Martin; pitcher Keith Thompson infielders Jeff Thurman and Rod Stafford; catcher Sam Polson; and utility man Jim Crim.

One sophomore made the Varsity. Paul Brummett was used as a back up infielder for the Trojans.

The Trojans finished in a tie for fifth place in the Conference and were runner-ups in the Sectional.

Linksmen Win 8, Lose 7 Under New Head Coach

Trojan golfers finished their first season under new head coach Jerry Koger with an 8 and 7 won-loss record. During the season the linksmen defeated highly regarded Marion, beat Muncie Central twice, and gave Anderson a scare. New Castle finished fifth in the Conference and fourth in the Sectional. New Castle won its first four meets in a row before losing to Connersville.

Leading the team was senior Dan Caffoe, who played first man throughout the season. Dan averaged around 76 strokes per round. Dan's best 18 hole score was 72. The second man was divided between sophomore Tom Fike and junior David Macer. Both of these competitors fired 78 shots per round. Tom's best score was 69, David's 77. Mike Schofield, a junior, played fourth man and averaged 80. Mike's best was 77. Fifth man was a dog fight between senior Brad Kendall and juniors Jeff Neuman and Tim Davis, all of whom averaged 82. The rest of the team was composed of sophomores Mike Hagerty, Bob Hamilton, and Scott Shafer and frosh Bob Caffoe and Dan Coleman.

Swimmers Have Winning Season In Building Year

This year's Trojan tankers completed their second season in the new pool with a winning season. Their record was eight wins and six losses. The young swimmers finished sixth in the Connersville Invitational and sixth in the Conference and Sectional.

This year's team consisted of fifteen freshmen, three sophomores, four juniors, and five seniors. Although they were extremely young, the swimmers displayed great poise in each meet. They defeated Shelbyville for the first time in the school's swimming history.

Two school records were broken during the season. The record of the 200 year medley was broken by Scott Larrison, Bill Cunningham, Kevin Keith, and Don Gehlert. The 500 yard freestyle, a new high school event, was set by Kelly Woodward, a sophomore.

Leading the team throughout the season were freestylers Chris Renner and Bill Cunningham; Don Gehlert and Robbie Woods in breaststroke; Kevin Keith in the butterfly; Dave Olsen in diving; and Scott Larrison in backstroke.

Fans Cheer Trojanettes To Many Wins

The Trojanette track team had a disappointing season, losing three out of four meets. Miss Gloria Castelluccio and her girls lost to Yorktown, Connersville, and placed third in a triangular meet with West-Del and Blue River before finding victory against Knightstown. In the district meet, three girls qualified to go to the Regional. They were Sandy Bell in the 50 yard dash; Robin Kendall in the standing long jump; and Susan Heilman in the high jump. The next week at the Regional, the Trojanettes failed to place anyone.

Although the team could not combine to get victory, some individuals achieved success as they set new school records. Sandy Bell set a new school record in the 50 yard dash at 6.3. Freshman Susan Heilman broke all past records in the high jump with four feet nine inches.

The Trojan Girls' volleyball team finished its season under coach Mrs. Glenna Gibson with the winning record of 8-5. They had a hard time getting started as they lost three out of the first five. Then getting back into the swing of things, they defeated their arch rivals Blue River in two games. They went on to win the rest except for the very last match against Muncie North. After their first two games of the Sectional, things looked great for the Trojans as they defeated Richmond and Union to reach the final match. In the finals, however, they met an improved Blue River squad out to get revenge. They fell to defeat and finished as runner-up.

The girls' softball team, coached by Mrs. Carol Lewis, finished with a 2-2 record. This year the softball season was moved to the fall instead of the spring. Because very few schools had softball teams last fall, the girls played only four games with two against Mount Vernon.

They opened against Eastern Hancock, downing them 9-1. In their second game, they met a strong Mount Vernon team and lost 23-0. They found victory again when they met Kinghtstown, whipping the Panthers 21-5. After much practice and some improvement the Trojans went against Mount Vernon again and lost with the score, 17-4.

Talented Girls Display Skills In Three Sports

After a slow start, the Trojanette basketball team finished the season with a 9-2 record. Coach Linda Stairs and the team lost their first two, but put it all together and won the remainder of their games. The varsity team was composed of nine seniors: Kathy Benson, Susan Billingsley, Cindy Crane, Kim Coffey, Renee Etchison, Cindy Hawkins, Patia Horan, Patti Jennings, Janice Walker, and one junior Annette Clampitt.

Ending their season with the record of 8-4, the second year gymnastic team improved greatly. The gymnasts were able to gain more experience this year as they added two meets to last year's schedule. Sharon Porter was the only member to compete in the state this year.

Swimming well each meet, the Trojanette swim team finished the season winning two and losing seven. For the second year, Mrs. Vickie Vaughn coached the team. This year the swim team, like the gymnastic team, lost only one senior, Janice Hayworth, so there is great hope for improvement in next year's records.

Cheerleaders Work Together To Attain School Spirit

Building unity and spirit in the crowd is the hardest responsibility of a cheerleader. The five girls that held the job this year were Sandy Bell, Julie Hutson, Kandi Hutson, Sherry Owens, and Lindy Teel. To help them utilize their leadership and find new methods of creating enthusiasm, they attended the All-American Cheerleading Camp in Lansing, Michigan. B-Team squad attended a camp in Anderson to improve their skills. Rooting the Colts on to victory were Beth Macer, Stephanie Osborne, Susan Sherrill, and Tammy Wallace.

Athletic Director Frank Kovaleski had the unbelivable task of organizing both boys' and girls' athletic events. In addition to scheduling, he was in charge of all physical education and recreation in grades one through twelve. Ticket Manager Mr. Horace Cook handled all tickets sales for C.H.S. sports events as well as buying and selling letter jackets and other awards.

CHS Trojan Band Triumphs In Summer Competition

A giant Delaware County Fair first place trophy in the office window and a huge green and white banner proclaiming fifth place at State Fair are two great examples of the product of a hard working band of 72 members, directed by Mr. Robert Shauver. Although this is the smallest number of people the band has had in recent years, it was the most productive band that CHS has yet had.

These victories did not happen over night, however; much practice, time, and patience were sacrificed by all members of both the Band and Pom-pon and Flag Corps. Also along with the hard work came time for recreation as the seniors planned initiation for the band members-to-be. The initiates, covered with mud, toilet paper, and Rice Krispies, definitely came out of this event with a true sense of belonging.

As a whole, the band represented a close-knit unit. They worked together to achieve their goal through practice in the fieldhouse parking lot every night from 6:30 to 9:00 until Delaware County Fair. Then after a two week vacation, the Band, Pom-pon, and Flag Corps prepared for a week's session at Marion College with practice every morning, noon and evening.

CHS Marching Trojans Bring Half-time Pleasers

Providing entertainment and spirit, the CHS band continued its tradition of exciting half-time shows during football and basketball season. They spent long, hard hours of music and formation practice during class time and also put in many hours after school. As in years past, the band performed their state fair routine at an early home football game, and with the combined efforts of pom-pon and flag corps, produced many other crowd pleasing shows.

New pom-pon and flag uniforms, an accepted invitation to the annual Purdue Band Day, a journey to the 500 race in Indianapolis and the dream of a spring trip once again found the band in the midst of a fund raising drive — selling fruitcakes.

With the arrival of solo, ensemble, district and state contests came the expected high ratings of many talented playing members. The band ended an exciting, fullfilling and rewarding year in the usual tradition of marching in the Memorial Day parade.

Director Craig Acquires New Sounds And Voices

The year began in a new direction for the Choral Clubs at CHS, when Mr. Charles Craig transferred from Lincoln High School in Vincennes, Indiana. Mr. Craig was married on August 31, arrived in New Castle September 5, and two days later appeared at CHS.

The Christmas Concert, held on December 5, was a success when the Chorale presented a classical work by Antonio Vivaldi, the "Gloria".

The Madrigals participated in a Madrigal Workshop at Burris in October, and entertained many local groups throughout the year. They also competed in the ISMA solo ensemble contest.

One of the many events attended by Swing Choir was the state Swing Choir Contest in February.

The Spring season was a busy one for Chorale. Chorale went on a tour, participated in the Spring Sing and Spring Musical, and finally attended the ISMA organizational contest in April.

New Pep Club Stirs School Spirit With Enthusiasm

Keeping the school spirit of CHS alive behind the scenes this year was a new activist group known as Pep Club, sponsored by Mrs. Carol Lewis. Along with President Steve Tucker, there were nearly seventy members who worked hard all year to promote school spirit.

Among the many objectives of Pep Club were activities such as painting signs for the halls, sponsoring a Trojan of the Week, planning pep sessions, and working on projects such as selling cushions, buttons and banners.

Also on their agenda was the selection of the Trojan Mascot, Lynn Perdue; Spirit Man, Larry Sells; and the Green Meany, Marcia Spurlock.

Although they were not dressed alike and did not form a bright green square in the stands at ball games, the Pep Club became a great asset to CHS by keeping the flame of spirit burning throughout the whole year.

Orchestra Provides Concerts, Attends Contests

The Studio Orchestra of CHS directed by Mr. Bertrand Langdon consisted not only of CHS students but of students from the seventh grade on up; all together there were 52 members.

Orchestra's first concert was with accompaniment from the Chorale as they incorporated many varieties of music, beginning with the 'Sounds of Simon and Garfunkel,' and including 'Great Themes from Great Italian Movies,' and a selection of Bouree and Irving Berlin. Also in this program was a feature cello solo by senior Jana Stump.

On February 2, the Orchestra participated in solo and ensemble contests. Next came a tour of the elementary schools on April 16 and 17, to instruct the younger students and give them an idea of what an Orchestra is like.

Three days later, on April 20, the whole orchestra traveled to Muncie Northside to participate in the Spring Contest.

As May got under way, the Orchestra began planning for the Spring Concert which took place on May 10.

Linda Feeley and David Van Hoose practice many hours after school to perfect their part in the Orchestra's concerts.

GAA Girls Spend Fun-Filled Day At Kings Island

A one day field trip to Kings Island was the highlight of the year for the members of GAA and their new sponsor, Mrs. Janet Manning. Other activities enjoyed by the girls during the year were volleyball, gymnastics, and bowling. The year was climaxed by a slumber party held in the girls gym.

Traditionally, GAA is a club involved in intramural activities designed to improve the girls' skills in the specific sports. GAA is one of the few sports clubs based on participation for enjoyment rather than team competition.

An air of humor swept over Thespian Troupe 1597 this year as they presented two classic comedies, "Midsummer Night's Dream" and "Skin of Our Teeth." Even the Christmas convo was humorous with toys that came alive to brighten the Christmas Spirit.

To help replenish the tool supplies of scene shop, sponsor Dick Willis held a party in September requiring all members attending to bring a tool.

Thespians used these tools to their advantage in the construction of interesting sets. "Midsummer Night's Dream" by William Shakespeare which was presented in November was a comedy involving two sets of lovers in the "grand mix up." The lovers were played by Shelley Hoover, Brad Ray, Jeff Perdew and Vicki Horn. The play was an hiliarious portrayal of a dream involving everything from royalty to human donkeys.

The spring play, "Skin of Our Teeth," by Thornton Wilder was the story of the history of man told through Mr. and Mrs. Antrobus, played by Blaine Hurst and Marla Wallace, and their family. It told how they survived all the calamities by the skin of their teeth.

After touring the grade schools in March, Thespians held their annual Spring Banquet in May at the Memorial Park Shelter House where trophies and awards lovingly known as "thespies" were presented.

Learning that honor and success come after determination and hard work, the members of the 1974 **ROSENNIAL** staff found themselves writing body copy, cropping pictures, and drawing layouts for the complicated deadlines. Completing the tasks was time consuming, but in the end, a fine yearbook was the result.

Selecting the theme, "We live in a world of our own," the staff hoped to show all facets of their own world at CHS, in the opening and closing sections. New techniques were used in the opening section, end sheets, and cover.

Deciding on the cover was one of the **ROSENNIAL** staff's biggest complications. Everyone being individuals with different tastes, the decision was not an easy one. After many discussions, the staff decided that the cover designed by Lisa Snell would be the best.

Rosennial's activities were numerous including car washes, button sales, and selling ads to keep the **ROSENNIAL** budget stable. Others were the opening subscription drive, the Rosey Convo, and the Publications Banquet held at the end of the year.

Rosey Staff Makes It Happen In Their Own World

Phoenix Staff Adopts New Magazine Style Layout

A big change occurred for Phoenix this year when magazine style layout was adopted. This style enabled Phoenix to use a cover picture, larger pictures and advertisements, and longer headlines. The Phoenix also expanded this year to eight pages with more in-depth stories and the addition of a comment page in which students could voice their opinions. The staff survived the first semester with only nine seniors doing everything from writing copy to pasting the paper together.

Rhonda Massengale, editor of the Phoenix, went to the Journalism Workshop at Ball State in July. The first week she studied editorial management, and the second week she proceeded into News Management Layout. Rhonda won the award for the "most creative layout design and writing."

At the beginning of basketball season, Phoenix sold "Super Senior" and "Right On Trojans" buttons, earning a profit of one-hundred dollars.

The Publications Banquet was held in the spring at Wellivers in Hagerstown, where the staff was presented with joke mementos of the year.

The senior staff included Rhonda Massengale, editor; Jeff McGee, news and business manager; Marla Wallace and Lisa Meek, features; Julie Hutson and Jeff Painter, ads; Mike Joyner, photography; Susan Billingsley and Tim Davis, sports; Miss Frances Halberstadt, sponsor.

FORSCO Views Foreign Cultures

FORSCO began its year with a welcome party for the foreign exchange students, held at the Parkview Swimming Pool. Later the party progressed to the park for a picnic and games.

The Foreign Food Sale, held on November 19, was a big success with a profit of over 100 dollars. Foreign recipes were given for the students in the language classes to prepare. The food was taken to Senior Commons where there was plenty of musical entertainment for everyone.

The Christmas Party was held introducing the traditional celebration from Ecuador, home of Luis Lopez, the foreign student.

FORSCO members sold green and white buttons supporting the basketball team.

Language Week, in February, was a lot of fun for everyone when the students were given the chance to tell the teachers what they would like to do in class. The week ended with a dinner, where the students prepared typical foreign recipes.

FORSCO sponsored Foreign Student Day on March 29.

Mrs. Agnes Tabares, club sponsor, agreed that it was a sad moment when they sent the foreign student off with a farewell party, but thinking back over the year it was a successful one.

NHS'ers Decorate 1973 Christmas Tree, Collect Toys

Scholarship, citizenship, leadership, and service nationally are the qualifications for National Honor Society membership. Local members were nominated and selected by the faculty in the second semester of their Junior year. The CHS chapter was sponsored by Mrs. Judith Sorrell.

Proving their scholarship by maintaining a high grade average, the NHS'ers showed their citizenship, leadership and service by the many service projects they had such as taking care of the billboard in the front lawn and keeping it up to date with the latest news and events at CHS.

As Christmas time rolled around, NHS'ers were seen busily decorating the school Christmas tree which was provided by them. They also assisted Santa in collecting toys for needy children at Westminster House by sponsoring the annual toy drive here at CHS. Their money-making project was the sale of Chrysler High School note cards with a sketch of the school on them.

The last major event of the year was the induction of new Junior and Senior members in the spring. First semester officers were Cindy Hawkins, president; Jay Heck, vice-president; Carol Dickey, secretary; and Bob Rhodes, treasurer. Second semester officers were Marla Wallace, president; Tom Creech, vice-president; Janice Walker, secretary; and Phil Byers, treasurer.

JCL'ers Celebrate Roman Holidays

Though the ancient days of Rome have far passed, the Junior Classical League has served its purpose well of renewing and honoring ancient customs this year.

The members of JCL have, in various ways, observed many Roman holidays during the year.

In March, as always, the Ides tribute was paid to Julius Caesar. Skits as well as classroom work were designed to interest the student.

The annual feast of the Saturnalia was also observed. In honor of the god Saturn, a banquet of celebration was held. The JCL'ers dressed in togas and other Roman attire to fit the occasion.

To close the year out, the students held their own Olympics. Old Roman games such as the discus throw, chariot races, and javelin throw were played with all students participating. Awards of their own distinction were given to the winners.

Officers were Shawn McGee, president; David Coleman, vice-president; Julie Hamm and Lynette Holaday, treasurers; Karen Hinshaw, recording secretary; Jara Masters, corresponding secretary; Mrs. Sharon Sipe, sponsor.

'Robbins Rappers' Wrap Up State Championship

Winning high honors at nearly every meet, the CHS debaters, commonly known as 'Robbins Rappers' were coached by Mr. James Robbins, who was new this year at CHS. Also new was Mrs. Kathy Thompson, who coached the solo team to many victories.

Both of these teams, debate and solo, made up the National Forensic League of CHS. Often traveling together to other schools for important meets, the NFL'ers got to know more about each other and met many other speakers from other schools. Competition at tournaments included a range of students anywhere from 400 to 1000.

Some of the major events for the debaters were the meets at Connersville, Fort Wayne Elmhurst, Lafayette Jeff, the North Central tournament, and the Warsaw tournament. For soloists there was a large meet here at CHS, and tourneys at Bedford and Blackford.

Sacrificing Saturday morning sleep and delivering as many as three different speeches or debates were merely routine for the dedicated NFL'ers. Ending the season with the highest Debate glory were Tom Hamm and Brent Taylor who captured first place in the state.

'La Tertulia' Welcomes Marti Baby With Layette

The activities of the Spanish Club were aimed at perfecting the Spanish language. The members of the club were exposed to the sounds and conversations of the Spanish people.

Every year the Spanish Club celebrates the "La Canastilla Martiana." They do this by giving a layette to the first baby born in the hospital on January 28. The members of the club read about the Spanish hero, Jose Marti, and each one wrote his biography. The best one was given to the parents of the new born child so that they would know why they were receiving the layette.

A Bingo Party was held in order to raise money for the club.

Since the Spanish Club is one of the more recently organized clubs, the members were given the chance to write their own constitution.

Club officers were Barb Spangler, president; Debbie Bertram, Shawn Ankrom, Susan Leitch, vice-presidents; Ginger Alcorn, secretary; Diane Turchan, treasurer; Mrs. Agnes Tabares, the club sponsor.

Local FCA Huddle Gets Fired Up — Sells Firewood

"To confront athletes and coaches and through the youth of our nation with the challenge and adventure of following Christ, participating in His church and serving Him through our vocations." This is the creed of the Fellowship of Christian Athletes sponsored by Mr. Duane Peka.

Gathering in their local huddle group, they discussed interesting topics and talked over personal problems. Also during their huddle group, they saw an occasional film and made plans for money-making projects. This year the projects were selling toothbrushes and firewood.

In addition to the New Castle local conference, there was a state conference at Wabash over a week-end where the boys had a chance to talk with well-known athletes like Doug Kingsriter. After the state conference came the national conference at which one boy was chosen from CHS. In 1972, Rex Peckinpaugh received this award, and last year Bob Boyd was the recipient.

This year's officers of FCA were Terry Ross, captain; Tom Fike, captain — elect; Dennis Kinser, secretary; and Jay Heck, treasurer.

Science Club Clears Courtyard Area

The Science Club was given a lecture on holography which was presented by Mr. Stanley Crum, a student teacher for the math department. The students found this type of photography to be very interesting because of its unusual use of the laser in creating a three-dimensional picture.

Science Club's clean-up project this year was keeping the central courtyard clear of debris. This project was taken as an effort to improve the appearance of the school.

In order to boost the Trojans and to earn some money for the club, the members sold tags at tourney time.

Officers were David Coleman, president; Shawn McGee, vice-president; Mr. Robert Furbee and Mr. Gary Cox, sponsors.

Electronics Club Really Plugs It In

The seven members of the Electronics Club made up for ther lack in numbers with a year filled with many activities. The members operated two essential parts of the school, the concession stands at the basketball games and the lights and sound in the Bundy Auditorium. Every home basketball game the Electronics Club came in early, set up the machines for cokes and popcorn, and put out candy and programs. The job in the auditorium started before each production. As each play was being rehearsed, the club had to start early and learn which spots were cued and what colors to use. Microphones and special effects were also a part of their jobs.

Besides working, the club also built models and went on a spring trip to Detroit.

Officers were Eugene Keith, president; John Duncan, vice-president; Lewis Regner, secretary; Mike Hinsey, treasurer; Mr. Robert Johnson, sponsor.

Eilar Gains State Recognition for F.H.A. Service

Many hours of work went into the Head-Start project sponsored by the FHA girls this year. Members made clothes for the boys and girls at Westminster House and ended the project with a party.

Mayor Scott Bouslog signed a proclamation announcing FHA week in the spring. During this week, the girls made brownies for all of the teachers, dressed up for a day in FHA colors, and had a radio program on WCTW.

The FHA members were ushers at the Fashion Show held in Bundy Auditorium on May 9. After the show, the outstanding FHA girls received awards.

FHA representatives were sent to the state meeting at the Indianapolis Hilton on April 19-20-21.

The sponsor, Miss Frances Eilar, who retired this spring, received an honorary membership in the Indiana Future Homemakers of America at their annual meeting.

Officers were JoAnn Edwards, president; Diana Lorton, vice-president; Martha Brown, secretary; Cynthia Bertram, treasurer.

Channel 11 Informs Community of Educational Events

A growing and increasingly important club here at CHS was the Channel 11 TV Crew. The group, sponsored by Mr. David Reese, concentrated on bringing all cable TV viewers the latest coverage of what was going on at school as well as the community. CHS activities were shown at 4 p.m. on weekdays so that the students participating in them had a chance to actuallly see how they were doing. Included in these after-school programs were convocations, athletics, interviews and many other events of interest.

Another area covered was video taping programs for elementary schools, such as art lessons. This proved to be a valuable asset here at CHS for such classes as English and also Sociology. English used filming as a six weeks course, and Sociology studied a unit on problems around New Castle with assistance from Channel 11 crew members. Homeroom also was more interesting in those rooms fortunate enough to have TV sets, as the announcements were seen as well as heard.

VICA-D, Chess Find Skills A Rewarding Challenge

The G-Wing of CHS had much to offer in the field of industrial education as VICA-D members have found by participating in the area vocational program and by uniting together to raise funds through the sales of candy.

In the area of machine shop led by Mr. Murle Carnes, the students worked under conditions of a simulated machine shop. The foreman and assistant helped members construct a mass production product open for sales to the public. In April, the machinists went to the State Contest at Indiana State University.

In the Building Trades class, under the supervision of Mr. Glen Underwood, the students spent three hours daily planning, making estimates and actually constructing a three-bedroom ranch style home on the corner of Bronson and Luttrell Streets.

In the spring, this group of 16 boys traveled to the Skill Olympics in Indianapolis for competintion in skilled trade areas.

In the Graphic Arts division sponsored by Mr. B.A. Beguhn, the students learned the trades and skills of printing. They worked in the fields of platen presswork, offset presswork, photography, plate making and developing, linotype operation, paper cutting, bending, stitching and punching, and hand composition.

Officers of VICA-D were Mark Neal, president; Mike Flowers, vice-president; Mike Flowers, vice-president; Dale Ponsler, secretary; Larry Sexton, treasurer; Joe James of Tri-High, parliamentarian; and Cheryl Groves from Hagerstown, reporter.

Chess Club, which consisted of bothozam and club members, participated in inter-school chess games and tournaments throughout the year, and they held their final tournament at the year's end.

The team belonged to the East Central Indiana Chess Association made up of five other schools including Rushville, Richmond, Connersville, Knightstown and Northeastern. To pay for the rising costs of gasoline which carried the team from school to school, they participated in money-making projects.

As spring arrived, the team attended three tournaments which were the Daleville Invitational, the Conference, and the State meet.

Paddle Pushers Ping To Perfection

In an effort to find an indoor sport that would be exciting as well as physically exerting, five seniors Tom Keesling, Phil Byers, Ed Karp, Bob Rhoades, and Tom Dinkins chose table tennis. From the work of these seniors came the newly developed Table Tennis Organization with a membership of approximately 20 people. The club was devoted solely to the improvement of the skills and tactics of table tennis.

Throughout the year various members have played exhibition games with players from other schools and have constantly emerged victorious.

The highlight of the meeting schedule was in February when Jimmy McClure paid an informative visit to the club. Valuable information was gained on the process of the game, as well as methods to improve club membership and interest.

Striving to follow the example of Evelyn Thomas who won national VICA honors in Tulsa, Oklahoma, last summer, the members of VICA continued to set high records of performance.

State delegates and other interested members went to Indianapolis on September 29 for the state VICA elections.

The VICA Skills Olympics were held in April where the area vocational students in the different trades competed against each other. Trophies were given to the best members in each area.

The club sponsored the employer-employee banquet in May. Thank-you's were given to the employers, and the outstanding ICT students were honored.

Club officers were: John Schetgen, president; Chris Keaton, vice-president; Sheldon Arnold, secretary; Lee Farmer, treasurer; Mr. Ray Vulgan and Mr. Donald Geozeff, sponsors.

Health Occupations Provide Service

SIGMA, a service oriented club, provided an opportunity for social and vocational contact among the students engaged in the field of health occupations.

One of the main activities was an employer-employee banquet, held at Welliver's in May. Students presented their employers with certificates of appreciation and honored their advisory board.

The members of SIGMA established their own constitution, with a contest being held for the best opening exercise and symbol.

Being an independent club, SIGMA members in New Castle and several other high schools are working to establish a state program.

Kim Parsons, the president of the club, spoke at the district meeting for all vocational clubs.

Officers were Kim Parsons, president; Lee Ann Littrell, vice-president; Teresa Kelly, secretary; Pam Gray, treasurer; Jill Raines, historian; Teresa Upchurch, publicity; Mrs. Shirley Smalley, sponsor.

HERO Becomes Involved With Others

Hero, the home economics youth organization began its year with the initiation of club members on October 8.

The students served refreshments for the Area Vocational School Open House October 24.

Delegates from HERO went to the District Leadership Conference at North Side School in Muncie on November 8. On the same day the members presented a program at the Area Vocational School Governing Board dinner meeting.

From Thanksgiving to Christmas vacation, the club members had a candy sale, with the top sales people being recognized during the club's Christmas Party.

The Thank-you Banquet for the employers was held at Wellivers Smorgasbord in Hagerstown on May 7.

HERO ran the concessions for the elementary school track meet on May 21 and 22. The Juniors accepted into the program for next year were invited to assist the Seniors in tending the stand.

Officers were Cheryl Hunter, president; Valerie Williams, vice-president; Vivian Lewis, secretary; Sheila Boling, treasurer; Sharon Davidson, historian; Miss Muzetta Guymon, sponsor.

Eager DECA Students Experience Job Opportunities

Going to school in the morning, and leaving at 12:30 to go out into the world of jobs is what the Distributive Education Clubs of America is all about.

This enabled them to gain greater knowledge in a field of business they would be interested in for future occupations, or at least to gain good experience in a related area while getting credit and earning money.

Juniors taking salesmanship were affiliated with the Senior DECA workers. Both groups were sponsored by Mr. Leonard Smith.

The Juniors got down to business by assisting with a national survey with the Herff-Jones representative concerning class rings. This helped them gain experience for the coming year as Senior DECA members. The Senior members of this year sold candy as a money making project from which nearly everyone gained — including them.

Nearing the close of their active year, DECA members participated in the annual conference at Ball State in which all district leaders were elected. They also took part in local, district and state contests. The annual Employer-Employee banquet was held at Hagerstown in May, to thank employers for their cooperation.

This year's Junior officers were Lisa Archey, president; Jim Lines, vice-president; Dale Davis, secretary; Robin Mason, treasurer; and John Grear, historian.

The Senior Officers were Dick Masters, president; Ron Ferguson, vice-president; Connie Mills, secretary; Judy Bell, treasurer; Toni Douglas of Union High, parliamentarian, and Mary Latham, historian.

COE Members Rank High In Regional Competition

The COE chapter of New Castle, sponsored by Mr. Cecil Powell, received high honors at the Regional contest this year. First place winners were Brenda Cropper in Stenography II, Rita Upchurch in Accounting II, and Becky Koons in Business Math. Second place honors went to Gail Coffey in Stenography II, Connie Stover in Accounting II, Barbara Swift in Typing II, and Karla Browning, file clerk. Placing third were Sue Morgan in Stenography I and Jenny Pavy, file Clerk. The Regional winners went on to State competition where Brenda Cropper won a second place trophy in Shorthand II.

COE is an area vocational organization where the students learn through experience while in school and have a chance also to earn comparable wages.

The finance committee chaired by Sarah Guffey raised money this year by selling candy and wallhangers. They also sold cokes at home basketball games.

The service committee chaired by Patty McClure typed business forms which were mailed by the "March of Dimes," plus other similar projects which were assigned to the girls by the club president.

The Social Committee planned such activities as a wiener roast at Debbie Butler's house at Tri High. Also there was a skating party at Skateland at which pizza was served. At the end of the year, they held their seventh annual Employer — Employee Banquet.

Officers of COE this year were Barbara Swift, president; Rita Upchurch, vice-president; Sue Morgan, secretary; Connie Stover, treasurer; Patty Abshire, historian — reporter; Sandy Wright, parliamentarian.

Busy IOL Girls Sponsor Valentine Tea For Faculty

Starting the year off with plenty of review in previously learned office skills was part of the program to familiarize the new IOL students with the laboratory procedures. This group of 11 girls met in the intensive office lab each afternoon in a simulated office atmosphere. Throughout the year, they worked on two to three week individual company projects or functional stations at such jobs as office manager, secretary-receptionist, supply equipment clerk, or teacher aid-librarian.

Being sponsored by Mrs. Carolyn Todd, the IOL members of the New Castle Area-Vocational Chapter included in their activities such events as skating in January and the annual Valentine Tea for the faculty.

Like all other vocational clubs, IOL sold candy for a money-making project and they also sold candles and wall hangers.

The officers for IOL this year were Marcia Roberts, president; Debra Lee, vice-president; Mary Lou Shelton, secretary; Debbie Combs, treasurer; Bobbie Jones, historian; and Patty Chandler, parliamentarian.

"The Original Refresher Course."

History.

When man needed transportation, he invented the wheel. When man needed warmth, he discovered fire. And when man needed real refreshment, he invented the real thing. Coca-Cola.

English.

Coca-Cola (Kōka-Kōla)
Coke (Kōke): trademarks which identify the same dark-colored, delicious, carbonated soft drink.
This unique tasting soft drink gives real refreshment, pleasure, fun, quenches thirst, it's the real thing.

The classic bottle.

Math.

Man X is working in the sun where it is 97°
Man Y is working in the shade where it is 92°
Both X and Y then have a bottle of Coca-Cola, (ideally served at 34°).
Construct an equation:

X+Y+ refreshing Coca-Cola =X+Y-thirst.

Poetry.

It's the real thing.
In the back of your mind,
What you're hoping to find,
Is the real thing.

It's the real thing.
That's the way it should be.
What the world wants to see,
Is the real thing.

It's the real thing.
Coke.

CHS World Reality for Some, Memory for Others

As time has brought our world together, we have shared the experience of being part of Chrysler High School. No longer feeble, uneducated children, we are ready to grasp the true meaning of life. To the underclassmen, this means returning to the world of CHS to complete the experiences of learning and working together as one, to achieve many dreams.

To the seniors, this means a journey into other worlds, as we become concerned citizens of the nation, never forgetting the year 1973-74 when "We live in a world of our own" in CHS.

Gary,
We've had a lot of
fun in High School. Don't
forget all the fun. Be good
this summer

Dennis
Kinser

Love you
mom

Gary
To a real
nice brother that
I enjoy having
him for a brother
Good luck in the
future ~~especially~~
with the girls
Love you

Gary,
A real good friend.
I hope to see you around after graduation. Good luck in the future.
Jim Martin

Gary
The only nut on the block with a vette.
remember all the fun we've had
Larry

Gary, "44"
I've really enjoyed knowing you these last two years.
Remember all those dumb jokes Mr. Powell told in Bus. man.
Good luck in the future, and keep your sweet personality.
Your friend,
Karen Kemmer

Gary.
You're a really
cool Senior!! Remember
all of the fun we had
last year in Mr. Smith's
Sales Class when everyone
copied each others work.
And this year all of our
3 classes together!! See
ya this summer!! Good
luck!!
Love Up,
